MEMORANDUM

TO: CEER Personnel  
FROM: Vincent Torres *V. Torres*  
Associate Director  
SUBJECT: CEER Policy on Children Visitors  
DATE: August 17, 2015

We want to ensure the safety of all visitors to CEER the same as we do for all our personnel. So at our annual PI meeting, the following policy was approved and is effective immediately.

*If children under the age of 14 are brought to CEER, they must be supervised and escorted at all times by an adult. All children are prohibited from entering lab areas unless they are part of a tour approved by the Director's office.*

If you have any questions about this policy, please do not hesitate to contact me. Thank you.
